

Bramalea Baptist Church

Director of Youth & Young Adult Ministries

JOB
PROFILE

Who We Are

Bramalea Baptist Church, established in 1963, is strategically located in the heart of Brampton. We are right across from the mall in one of the most densely populated parts of Canada's fastest growing and very diverse city. Our story is all about how God has bigger plans than we could possibly imagine!

Our church began as a tiny church several blocks from our current location on what, at the time, was the outskirts of the new city. But the congregation had faith that God was going to do a greater thing. They found the 6-acre property at the corner of Dixie and Queen and prayer walked around it, believing God was leading them to buy it and build. So they stepped out in faith.

And God did amazing things! Soon they needed to add on to the building to make room for those God was bringing.

Our most recent addition, completed in 2019, includes a beautiful gymnasium, an atrium with café for fellowship space, amazing youth ministry rooms, meeting spaces and more.

We believe God plans to continue to do amazing things in and through the diverse church he has so strategically placed at the corner of Dixie and Queen.

Vision & Mission

VISION

BBC's vision is to leverage our central location, expanded facilities, and passionate witness of our intercultural congregation to shine prominently and brightly for Jesus, reflecting His love, as we worship, serve, and share His Gospel. Matthew 5:14, 16

MISSION

We are a culturally diverse family committed to exalting God, embracing one another, equipping for service and extending God's kingdom in our neighbourhoods and around the world.

Position Overview

Bramalea Baptist Church is seeking a **Director for Youth & Young Adults**. We are building our “NEXT GEN” team by looking for a highly motivated learner who wants to become a disciple that makes disciples as part of a disciple making movement

The responsibilities include learning how to oversee all aspects of high school ministry (grades 9-12) and learning to work with the young adult ministry.

The candidate must have a love for God, love for youth/young adults, and a pastoral heart to see them grow in their relationships with Christ.

The Starting Line (Gr 9-12)

The Starting Line is part of the Youth Ministry at Bramalea Baptist Church, for students in grade 9-12. We use the 4 chair disciple-making model to visualize what Jesus did when he was on earth. He called people to “come and see” who He was, what God’s plan is, and how everything works together. He then called people to “follow him”. Listening, learning, experiencing what it means to Love God, love others and live a life with Christ at the centre.
